

BUSTER + PUNCH

HERO

TECH SPECS

The image shows various components of the HERO LIGHT against a dark, textured background. At the top, two Edison-style light bulbs are shown, one with a silver metal ring and one with a brass ring. To the right, a black cable with several brass connectors is coiled. Below the bulbs, a curved metal band with brass fasteners is visible. In the bottom right, there are small brass and black components. The overall aesthetic is industrial and handcrafted.

BUSTER + PUNCH

HERO LIGHT

Inspired by the great blacksmiths of yesterday and refined to outlast tomorrow, our HERO light is made from hand forged 3mm STONE or GRAPHITE metal, matt rubber detailing and solid knurled brass soaked in olive oil. The light can be positioned through the metal ring or through the centre.

HERO LIGHT finish options:

GRAPHITE / STEEL

GRAPHITE / BRASS

GRAPHITE / SMOKED BRONZE

STONE / STEEL

STONE / BRASS

STONE / SMOKED BRONZE

HERO LIGHT

Our HERO light is a chandelier made from a 3mm powder coated metal ring, with solid knurled metal detailing. The light pendants can be set in the ring or left to hang through the centre and can be finished with a choice of our light bulbs.
