## BIG FOOT BENCH

With its sculptural and organic shapes the Big Foot Bench is a simple and contemporary bench design, suitable for a wide range of interiors schemes.

The simple bench design consists of two cylinder-shaped legs and a round soft seat, all surfaces upholstered with natural sheepskin in color off-white. This season we added the stool in a chalk-colored mixed cotton/linen fabric.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.

Product no: 221021

Type: Bench

Colour: Off-White

Material: Sheepskin

Care instructions: It can be clean with both dry and wet cloth. If with wet cloth, temperature should be under 40 degrees. Use fur detergent to clean the sheep skin. It is very important to use clean water to make sure that no detergent is left. Use comb to comb the fur to the same direction to get the original look. Do not use it in direct sun.
