DUSK TABLE LAMP

An art piece, the Dusk and Dawn lamp is a unique source of light that lets the mind wander to planets, eclipses, and Brutalist architectural details.

The layered shades playfully divide the light into a rhythm of exposure, contributing to an intimate and cozy atmosphere.

The square, raw oxidized aluminum base meets the two rounded aluminum shades which, richly textured and with an almost concrete like surface, gives a certain depth to the smooth light.

Designed by Nicolaj Nøddesbo & Tommy Hyldahl.
