HOOP TABLE LAMP

To the point: The Hoop lamp series, comprising a floor and a table version, is a sophisticated and uncompromised piece of design.

The round bulb of the almost naive, sketchy silhouette can light up even the darkest space and is a take on a new, timeless icon.

The lamp is available in three different beautifully brushed metal colors, making it fit into any interior whether it be contemporary, classic, rustic or urban modern.

Designed by Nicolaj Nøddesbo & Tommy Hyldahl.
