

## 12HRS datasheet

Project: Solebich | Interior: SoLebich.de GmbH | Architect: Katharina Kassner | Photo: Benjamin Janzen

12HRS is a stylish portable battery lamp for the quality-conscious customer and will enrich any area with the feeling of the famous Danish "hygge".

A soft light shines through the alabaster stone, creating the same atmosphere as a burning candle.

12HRS is a standalone product produced by ONE A – known for perfect proportions, elegance, extremely high manufacturing and handcrafted details – without compromise.

## GENERAL DATA

### Collection

ONE A

### Product

12 HRS

### Article no.

- 1A12.5001.xx

## SPECIFICATIONS

### Weight

Lamp: 625 g

Charging cube: 126 g

### Material

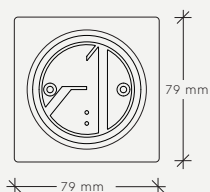

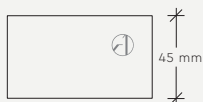

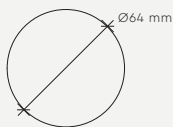

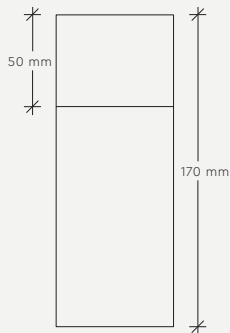

Lamp: Aluminium and Alabaster

Charging cube: Wood

### IP protection grade

IP20

### Labelling

## BATTERY SPECIFICATIONS

Battery	Ni-MH 4-3A
Voltage	1.2V
Energy charge	3800mAh
No. of cells	4

## LIGHT SOURCE SPECIFICATIONS

Light Source	1W LED White warm
Colour	2400K*
Lumen	90 Lumen*
CRI	90 +
Lifespan	50.000+

\*Due to variations in the Alabaster stone variations may occur

## OPERATION TIME

No dim	12 hours
50% dim	35 hours
Lowest dim	120 hours

## XX-COLOUR CODES
